The Tahsildar of Kudligi brought to my noti that the tomb of the family of Mr.Joseph Sub. Assistant Surgeon, Kudligi required repairs. This tomb has to be mainta ed at the expense of Government under B.S.O. No.203 (ii). The Executive Engineer, Bellary was requested to take steps to get it repaired. He now reports that it is not on the approved list of tombs to be maintained by P.W.D., and that the absence of specific ~~ation~~ orders of Government P.W.D. funds cann be spent for its maintenance. I therefore recommend its inclusion in the list of tombs to be maintained by the P.W.D. so that the Executive Engineer Bellary may carry out the repairs.

Eccl. Dept.

A revision of the list of cemeteries and tombs maintained at state expense is under separate Considera It has been decided in that file that instead of maintaining individu tombs as such it is necessary only to keep the cemetery ~~generally~~ Generally in order In the case of endowed monuments tombs of historical or archaeolog interest including in this term the

tombs of the more distinguished Officials, & tombs of non-Commissioned officers & soldiers the inscription will be kept legible & the masonry kept in repair

2. The tomb in question does not seem to be of sufficent importance to be maintained at Govt. expense. It need not therefore, be included in the revised list.
